PLEASE NOTE

*This chart is a pricing guide for a **SINGLE** location print on white, 100% cotton t-shirts using plastisol ink on an image size of up to 12"x14."

*To give our customers an exceptional quality product we choose to print on top tier, **PREMIUM** quality garments. Other, less expensive garments are available upon request.

*Darker colored garments may require a white underbase for a satisfactory print, therefore an additional color will be needed to achieve **PREMIUM** results.

*For additional print locations add \$1 per garment per location.

*Actual prices may vary slightly from the pricing guide.

*A 50% deposit is required to begin job.
